Page Templates

1. Homepage (1 page)

URL: `/`

Structure:

Section	Block	Description
Hero	Hero Video	Full-width background video with headline overlay
News	Cards Article	3 news story cards (1 prominent + 2 secondary)
Promo	Columns Promo	Two-column callout on burnt-orange background
Intro	Default content	Heading + paragraph ("Boundless Ambition")
Impact (×3)	Sticky Panels	Image + heading + text + CTA + stats
Outro	Columns Outro	Stats + CTA on left, looping video on right

2. Resource Hub (3 pages)

URLs: `/faculty-and-staff-resources`, `/family-and-visitor-resources`, `/alumni-resources`

Structure:

Section	Block	Description
Header	Default content	Page title (H1)
Quick Links	Columns Resource	Image + icon link grid
Resources (×3-4)	Columns Resource	Two-column heading + link lists
Policies	Default content	Single-column heading + links

Authoring Notes:

- Each resource section has a heading and a list of links
- Quick Links section has icon images paired with labels
- Two-column layout keeps related resource categories side by side

3. Section Landing (10 pages)

URLs: `/apply`, `/about-texas`, `/energy`, `/research`, `/entrepreneurship`, `/medical-center`, `/impact-on-texas`, `/military`, `/campus-carry`, `/campus-life/health-and-wellness`

Structure:

Section	Block	Description
Hero	Hero Banner	Background image with heading + description overlay
Content	Default content + Columns Resource	Mix of text and two/three-column layouts

Authoring Notes:

- Hero banner uses a wide landscape image
- Body content mixes headings, paragraphs, and columnar layouts
- Some pages include feature cards in two or three-column grid

4. About Subpage (4 pages)

URLs: `/about/facts-and-figures`, `/about/longhorn-traditions`, `/about/leadership`, `/about/mission-and-values`

Structure:

Section	Block	Description
Hero	Hero Banner	Background image with page title
Content	Columns Resource + Default	Two-column feature content + text

Authoring Notes:

- Facts & Figures uses stat callouts
- Leadership page has people listings
- All pages share the About section hero style

5. Academics Subpage (3 pages)

URLs: `/academics/academic-experience`, `/academics/areas-of-study`, `/academics/texas-statement-academic-integrity`

Structure:

Section	Block	Description
Hero	Hero Banner	Background image
Content	Columns Resource + Default	Program listings, policy text

Authoring Notes:

- Areas of Study contains linked program listings
- Academic Integrity is a policy document (text-heavy)
- Academic Experience showcases student life with images

6. Campus Life Subpage (10 pages)

URLs: `/campus-life/arts-and-culture`, `/campus-life/campus-destinations`, `/campus-life/health-and-wellbeing`, `/campus-life/housing-and-dining`, `/campus-life/life-in-austin`, `/campus-life/report-misconduct`, `/campus-life/safety-and-security`, `/campus-life/student-involvement`, `/campus-life/health-and-wellbeing/health-faculty-staff`, `/campus-life/health-and-wellbeing/health-campuswide-resources`

Structure:

Section	Block	Description
Hero	Hero Banner	Topic-specific banner image
Content	Columns Resource + Default	Resource links, descriptions, contacts

Authoring Notes:

- Health & Wellbeing sub-pages have specific audience targeting (students vs. faculty)
- Report Misconduct is primarily text with external links
- Life in Austin includes local attractions and cultural highlights
- Campus Destinations has maps and venue information

7. Energy Subpage (5 pages)

URLs: `/energy/science-engineering`, `/energy/business-economy`, `/energy/law-policy`, `/energy/education`, `/energy/get-involved`

Structure:

Section	Block	Description
Hero	Hero Banner	Energy initiative banner
Content	Columns Resource + Default	Program details, faculty, links

Authoring Notes:

- Each page focuses on a different aspect of UT's energy initiative
- Get Involved page has action items and contact information
- Pages share consistent two-column layout for program features

8. Research Subpage (3 pages)

URLs: `/research/student-research`, `/research/overview`, `/research/medical-center`

Structure:

Section	Block	Description
Hero	Hero Banner	Research-themed banner
Content	Columns Resource + Default + Quote	Research highlights, stats, testimonials

Authoring Notes:

- Medical Center page includes a testimonial quote block
- Overview has research statistics and funding information
- Student Research showcases undergraduate/graduate opportunities

9. Policy Page (8 pages)

URLs: `/contact-us`, `/jobs`, `/policies-and-reporting`, `/site-policies`, `/state-and-system-resources`, `/university-honor-code`, `/fraud-waste-or-abuse`, `/compact-with-texans`

Structure:

Section	Block	Description
Content	Default + Columns Resource	Text-heavy compliance content with link lists

Authoring Notes:

- These pages are primarily text with lists of links
- Contact Us has department contacts and forms
- Jobs page links to external hiring systems
- Policy pages require accurate legal text — edit carefully

10. Campus Carry Subpage (2 pages)

URLs: `/campus-carry/appeals-process`, `/campus-carry/faqs`

Structure:

Section	Block	Description
Content	Default + Columns Resource	Policy details, FAQ content

Authoring Notes:

- Appeals Process is a step-by-step policy document
- FAQs page contains question-and-answer format content

Block Reference

Hero Video

Used on: Homepage only

Field	Type	Description
Poster Image	Reference	Fallback image when video can't play
Alt	Text	Image alt text
Background Video	Reference	MP4 video file (autoplay, muted, loop)
Text	Richtext	Headline text (displays as H1, white, uppercase)

Tips:

- Video autoplays silently in a loop
- Poster image shows while video loads or on mobile
- Use short, impactful headlines with line breaks
- Video should be under 30MB for fast loading

Hero Banner

Used on: Section landing pages, about pages, academics, campus life, energy, research (30+ pages)

Field	Type	Description
Image	Reference	Wide landscape background image
Alt	Text	Image alt text
Text	Richtext	Page title heading + optional description

Tips:

- Use wide, high-quality images (min 1600px wide)
- Text appears over image with dark gradient for readability
- Keep heading concise (1-2 lines)

Cards Article

Used on: Homepage

Field	Type	Description
Image	Reference	Card image
Text	Richtext	Card headline with link

Layout (desktop):

- Card 1 (first authored): Large on right, full-height image with headline at bottom
- Cards 2-3: Smaller on left, horizontal layout (image left, headline right)
- All cards have burnt-orange background

Tips:

- First card is the "featured" story — use the strongest image
- Headlines should be compelling and linkable
- Images crop to fit their container — use focal-point-friendly images

Sticky Panels (or Columns with stats)

Used on: Homepage (3 instances)

Field	Type	Description
Image	Reference	Portrait-orientation image (left side)
Alt	Text	Image alt text
Content	Richtext	Heading + paragraph + CTA + stats

Tips:

- On desktop, image sticks while content scrolls
- Use portrait images (3:4 aspect ratio works best)
- Stats format: `**#1**` then label text on next line
- Stats animate (fade in) when scrolled into view
- Use 3 consecutive blocks for the full impact section
- Can be authored as "Columns" — auto-detected by the JS

Columns Promo

Used on: Homepage

Field	Type	Description

Column 1	Image	Promotional image
Column 2	Richtext	Heading + paragraph + CTA link

Tips:

- Used for mid-page promotional callouts
- Section-metadata with style "burnt-orange" adds the background
- Keep to 1 heading + 1 paragraph + 1 CTA button

Columns Outro

Used on: Homepage

Field	Type	Description
Column 1	Richtext	Heading + paragraph + CTA + stats
Column 2	Link to MP4	Video file (auto-converts to autoplay video)

Tips:

- Place an MP4 link in column 2 — it auto-converts to a looping video
- Stats use bold: `**18 billion dollars**` followed by label
- Used for closing impact sections

Columns Resource

Used on: Resource hub pages, interior pages (35+ pages)

Field	Type	Description
Column 1	Richtext	Heading + link list
Column 2	Richtext	Heading + link list

Tips:

- Most common block across the site
- Each column typically has an H2/H3 heading and list of links
- Links can be internal (/path) or external (https://...)
- Used for resource directories, quick links, and categorized content

Quote

Used on: Military, Entrepreneurship, Medical Center, Research pages

Structure: Blockquote with attribution

Tips:

- Quote text should be in the first paragraph
- Attribution line starts with "—" or "-" (e.g., "— Dr. Jane Smith, Department Chair")
- Can include an author image
- Renders with burnt-orange accent styling

Default Content

Used on: All pages (headings, paragraphs, lists, links)

No block needed — just type content normally:

- Headings (H1-H6)

- Paragraphs
- Bulleted/numbered lists
- Links
- Bold/italic text
- Inline images

Section Metadata

To add background styling to a section, add a Section Metadata block at the end of the section:

Style	Visual
`burnt-orange`	Dark orange background (#bf5700), white text

Metadata

Every page should have metadata configured at the bottom:

Field	Required	Description
Title	Yes	Page title (browser tab, SEO)
Description	Yes	SEO description (search results, social sharing)

Brand Guidelines

Element	Value	Usage
Primary Color	`#bf5700` (Burnt Orange)	Links, buttons, CTA borders, stats
Dark Color	`#333f48` (Charcoal)	Headings, navigation
Text Color	`#212529`	Body text
Button Style	4px border-radius, burnt-orange border	All CTA buttons
Fonts	Roboto / Roboto Condensed	Body / Headings

Media Guidelines

Images

- Upload to AEM DAM at `/content/dam/eds-agent-demo/`
- Minimum width: 1600px for hero banners, 600px for cards
- The system auto-optimizes (WebP, responsive sizes)
- Always provide alt text for accessibility

Videos

- Format: MP4 (H.264 codec)

- Upload to DAM
- Keep under 30MB for performance
- Videos autoplay muted — no audio needed

Publishing Workflow

1. **Edit** content in Universal Editor at AEM Author
2. **Preview** at `https://main--eds-agent-demo--prajwal85.aem.page/{path}`
3. **Publish** via AEM Sidekick when ready
4. **Live** at `https://main--eds-agent-demo--prajwal85.aem.live/{path}`
